

All Students

1. Sports bottle with water on a daily basis labeled with your child's name (please do not send in plastic water bottles with twist caps).
2. A **regular size** backpack labeled with your child's name.
3. Diapers, wet ones and pull-ups as necessary.
4. 2 folders with pockets and brads of any color (**PK 3, PK 4, and Kinder**).
5. Lunch with a utensil, a drink and two napkins. We do not heat lunch items. Please make sure your child's lunch box includes a coolant if there are items that are perishable. Lunch should not include items that may cause a choking hazard such as hotdogs, whole grapes, hard-boiled eggs, and chunks of raw carrots or meat larger than can be swallowed whole. **Please cut these items in half or quartered.** All classrooms are peanut/tree nut free. Infants will have their own feeding schedules with refrigeration and heating ability.
6. Families will be required to purchase a rest mat. We prefer the red and blue ones from Walmart or no larger than 4x2 with the ability to fold. If your child has one that is currently at our school we will use it and you do not have to repurchase a mat. Send your child to school with a small blanket that fits inside their backpack. We will store your items at school and send the blanket home weekly. Kindergarteners do not need one.
7. **School T-shirt is optional. Sold in the office. \$15.00**

Please label all items: including lunch box, change of clothes, cup, mats, blankets, diapers, and wet ones.

Once a year and as needed:

A set of summer and winter clothes (1 set: underwear, socks, shorts/pants, and shirt) placed in a gallon size zip lock bag labeled with your child's name. These will remain in the classroom.
